

Emmaus And Immanuel
Luke 24, v 13 to 31. Isaiah 7, 14.

- 1 The two had reached their journey's end.
Their Lord was passing on,
They viewed Him as a stranger friend,
 need such a friend be gone?
- 2 Constrained by them He stepped inside,
 He who had thrilled them so.
How pleased they were He would abide,
 But Him they did not know.
- 3 Their table spread at Home again,
 With Jesus at the head,
His giving thanks convinced the men,
 Christ risen from the dead.
- 4 'Twas then He vanished from their sight,
 They must have both felt awed,
They soon retraced their steps that night, Luke 24, ^{verse} 32 to
 Once more to meet their Lord, 53. ~~53~~
- 5 We read these facts, they're not our own,
 Our Lord we know was theirs,
In Christ God's mighty Power is shown,
 Through Him, God hears our prayers.
- 6 Disciples saw their Lord ascend,
 Tears may have filled their eyes,
They had not lost their Saviour friend,
 Whose Love we share and prize.
- 7 As surely as He went away,
 And loved ones viewed the sight,
So will His coming change to Day,
 His loved ones darkest night.
